

The global platform for legal horizon scanning & regulatory knowledge management

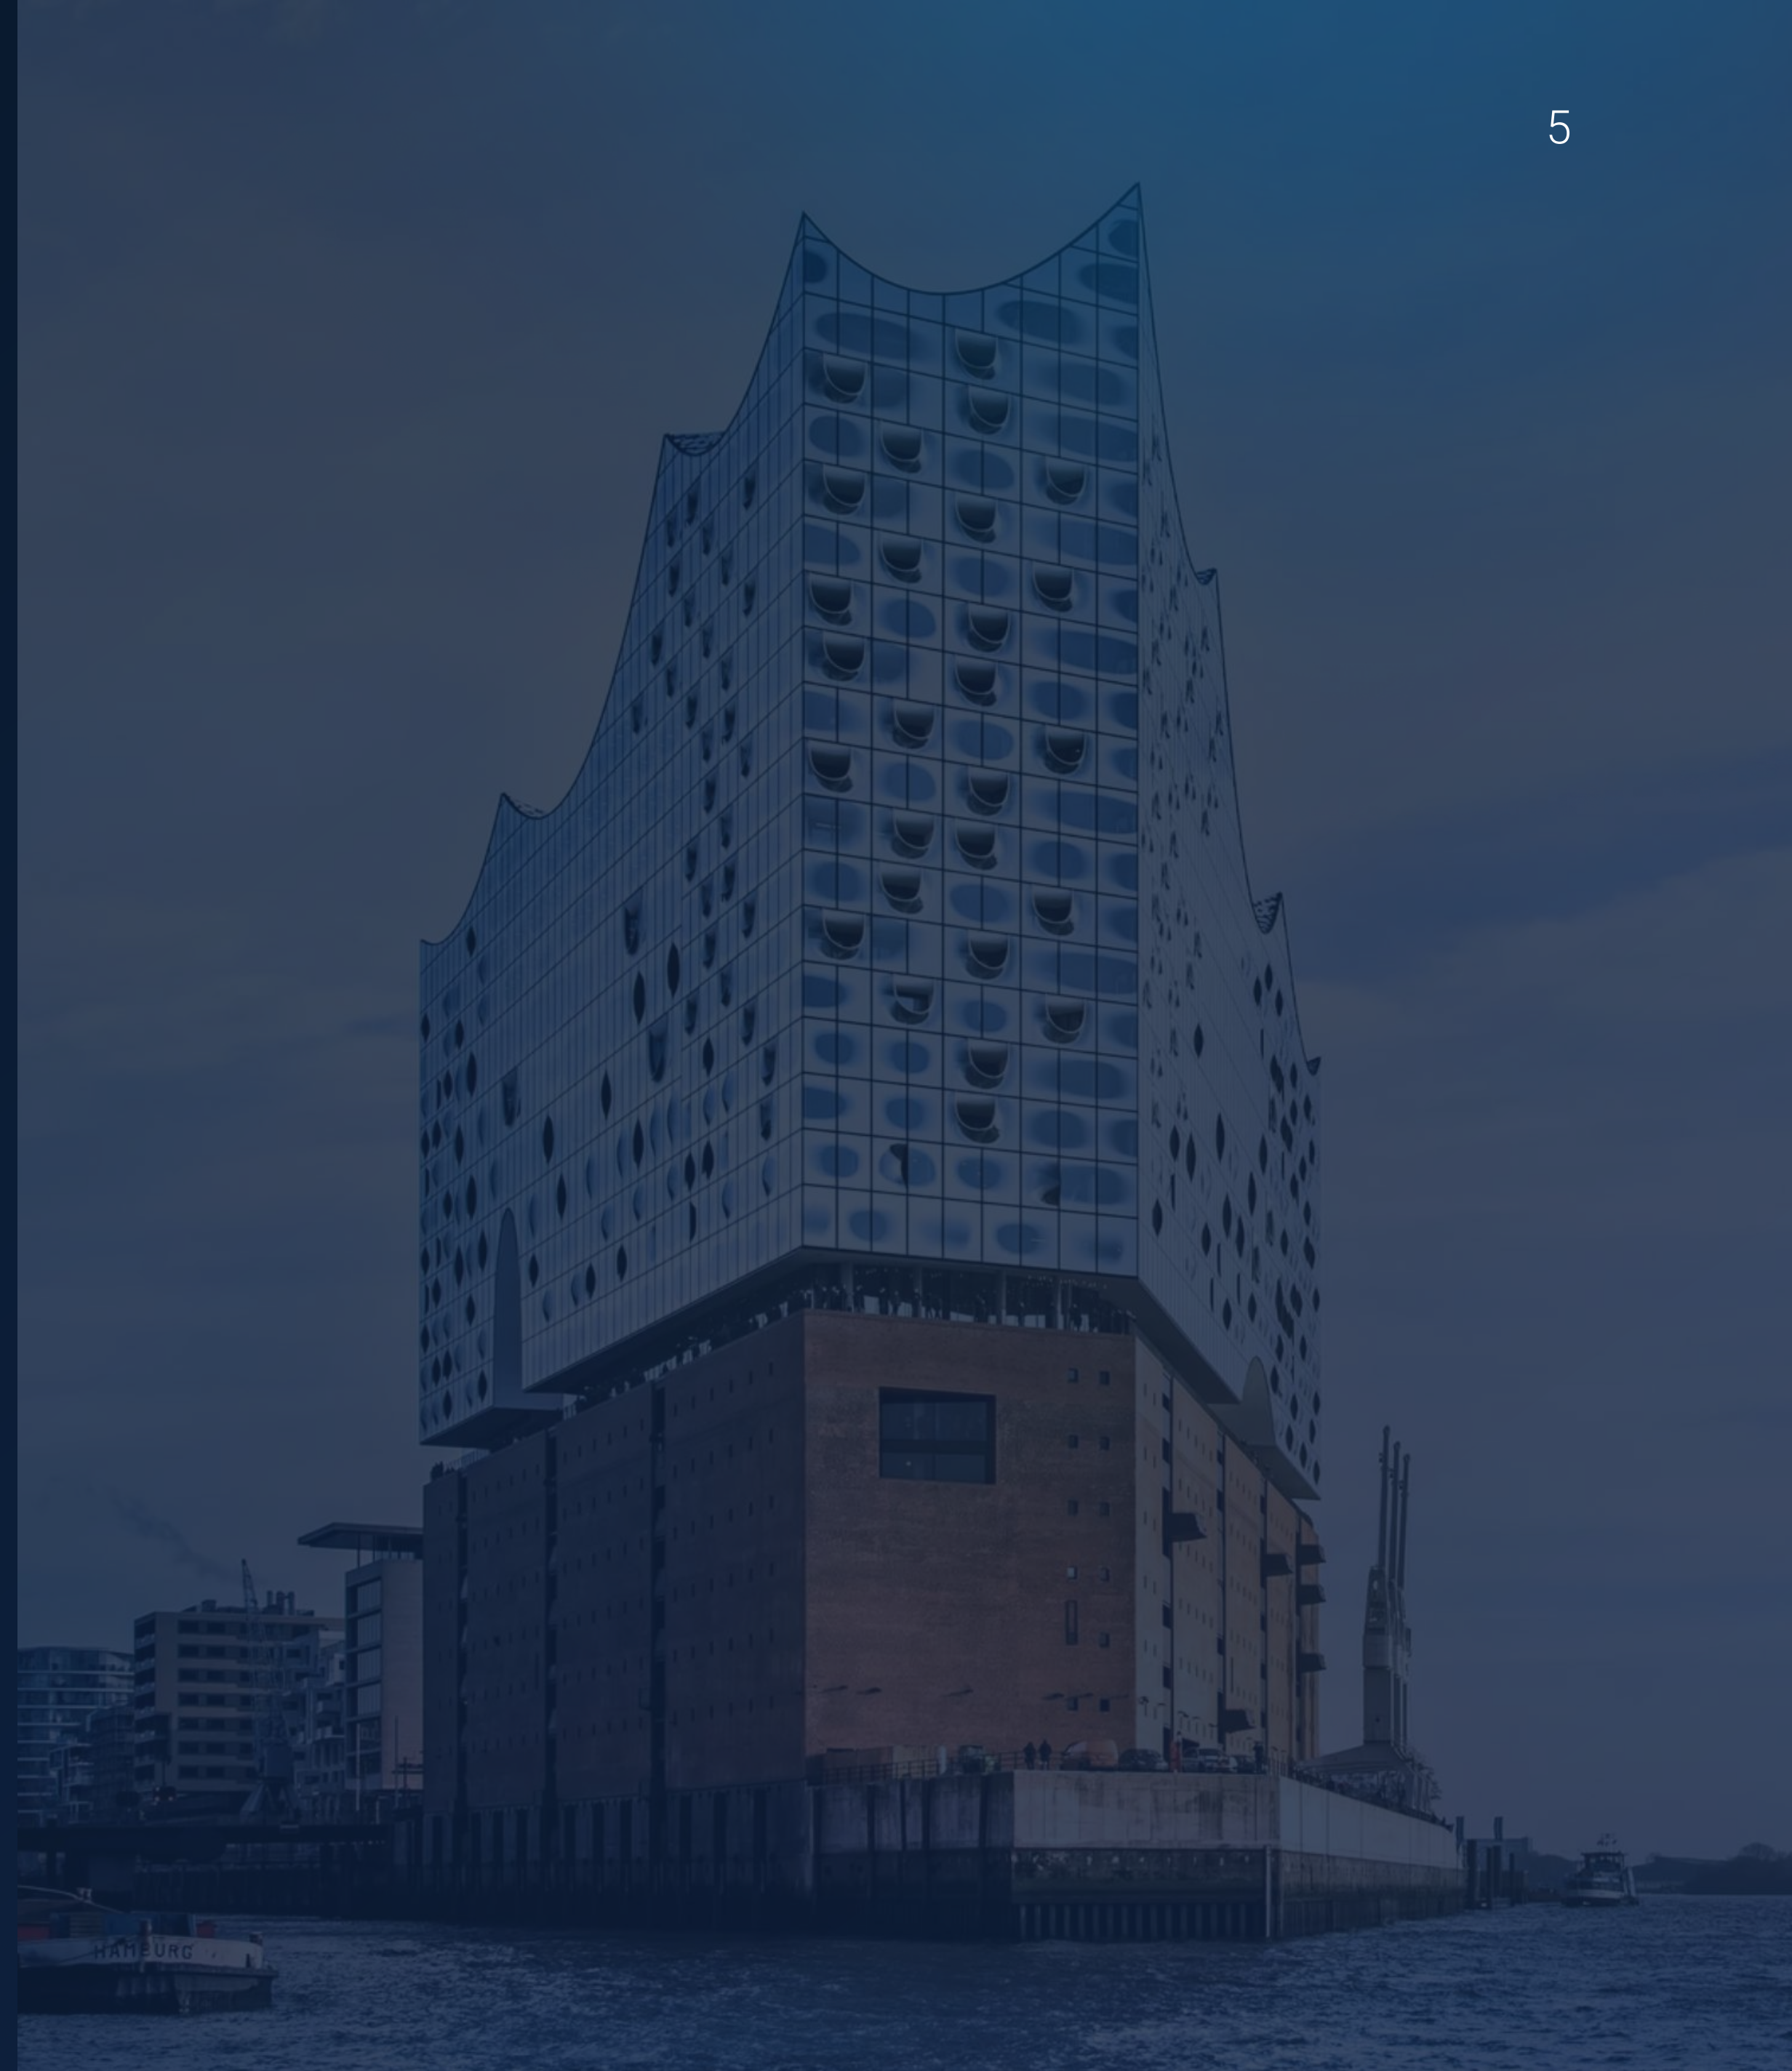

LEX AI is a global research & knowledge management platform for legal and compliance professionals who need to keep pace with the ever-increasing complexity of legal and regulatory developments.

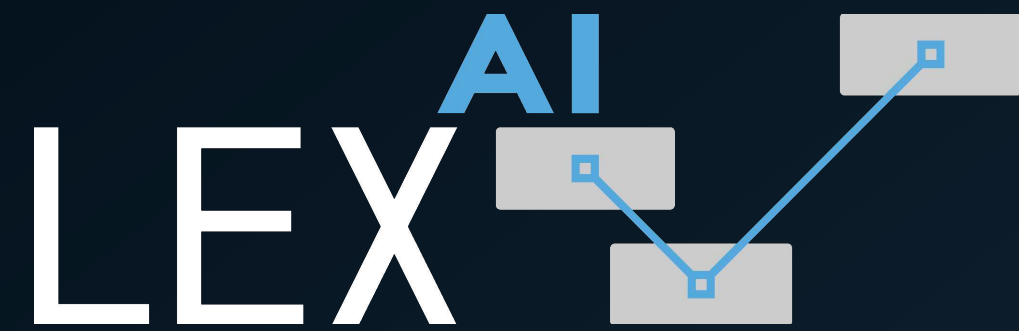

Legal/RegTech AI - Made in Germany

- Founded in June 2021 in Hamburg
- Funded by IFB Inno Ramp Up & Inno FinTech Programme
- 3 founders and 10 employees
- International and German companies as well as law firms and Big 4 auditors as clients (and partners)

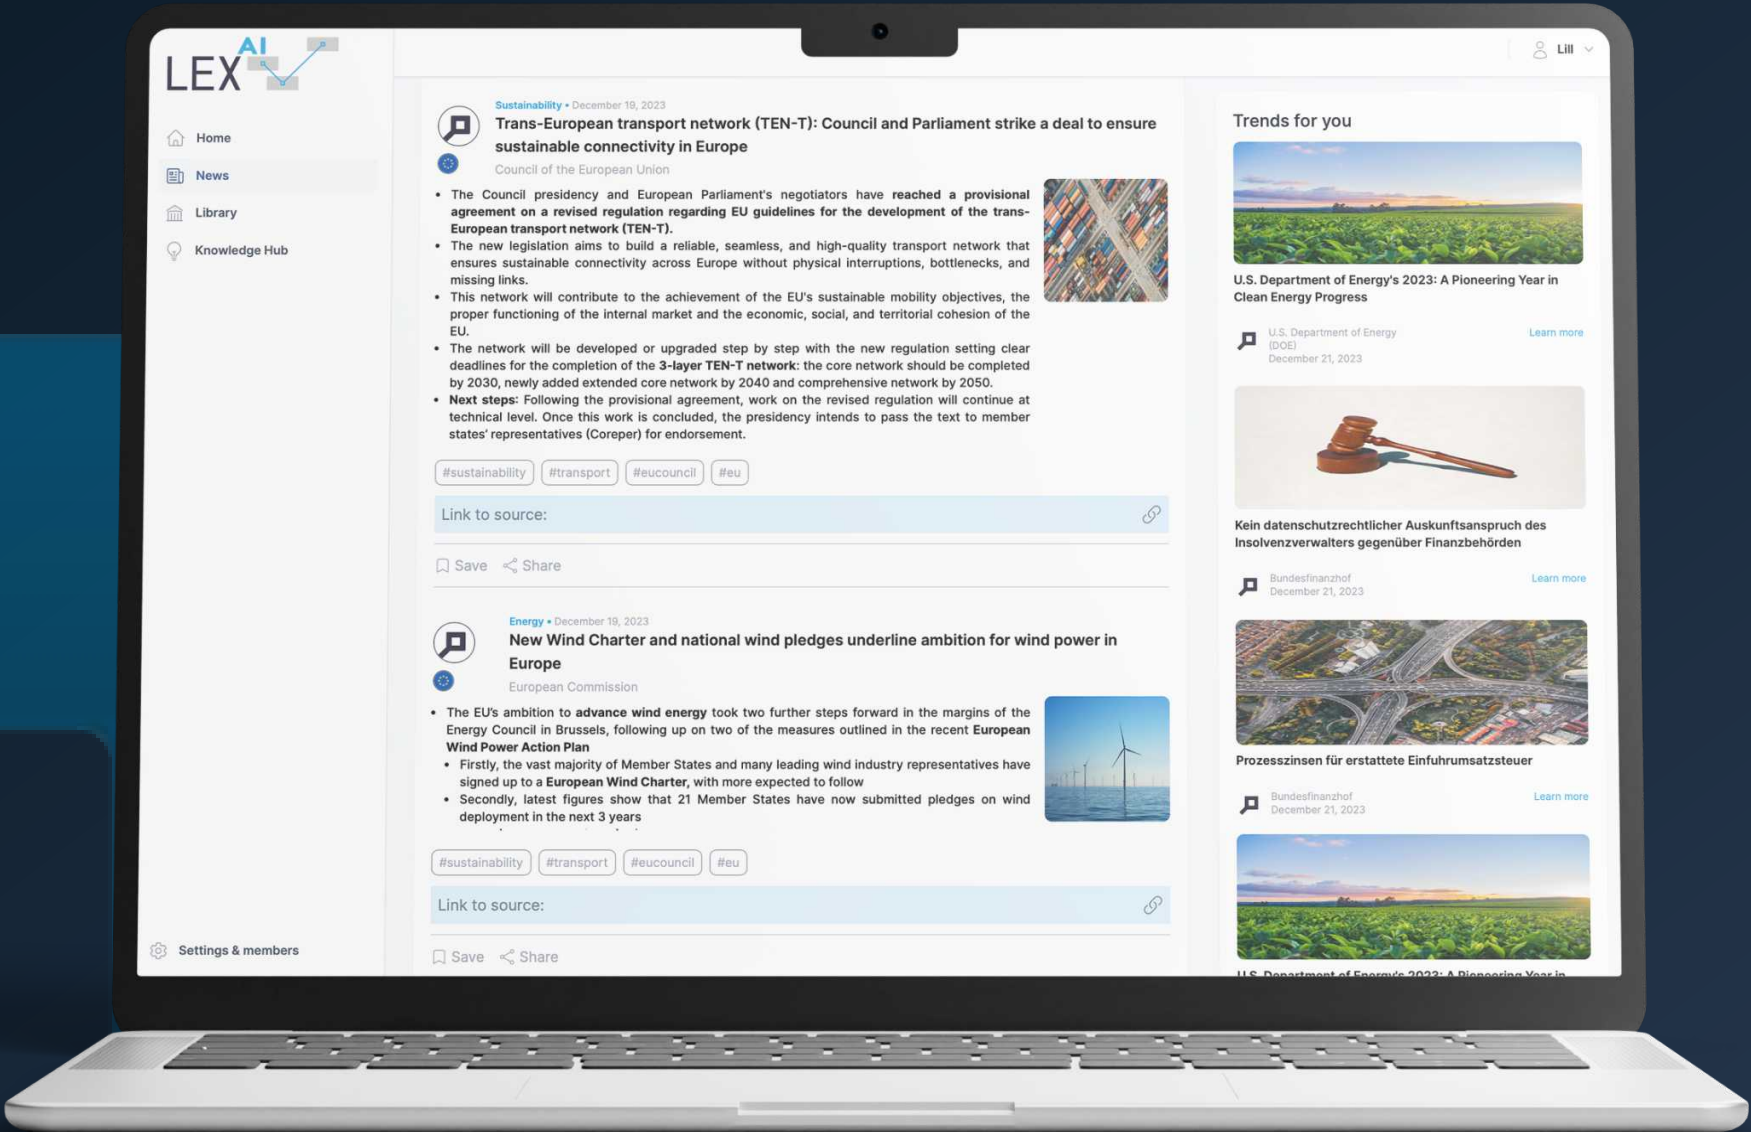

The Challenge

Globalisation makes it increasingly difficult to keep track of regulatory changes

Complex regulations pose enormous challenges for corporate compliance

LEX AI

- Detects, analyses and visualises regulatory changes
- Informs users about changes and updates with the help of AI
- Enables companies to mitigate legal risks and implement compliance requirements
- Identifies strategic opportunities & risks due to regulatory changes

24/7 Global Legal News

Recognising legal risks and other compliance risks at an early stage to stay one step ahead of the market

Legal Landscape Navigator

Early identification and minimisation of risks in a regulatory networked world

Legal Briefings

Quick understanding of new legal changes and saving valuable working time

Knowledge Hub

Sharing regulatory updates and knowledge with teams across the organisation

SaaS Platform

Easy to implement, highly innovative user interface, no GDPR uncertainties

Leverage the **power of LEX AI** to stay ahead of your Legal & Compliance challenges

Up to

95% savings of your efforts and costs for legal monitoring and knowledge management

75% reduction in compliance risks and liabilities

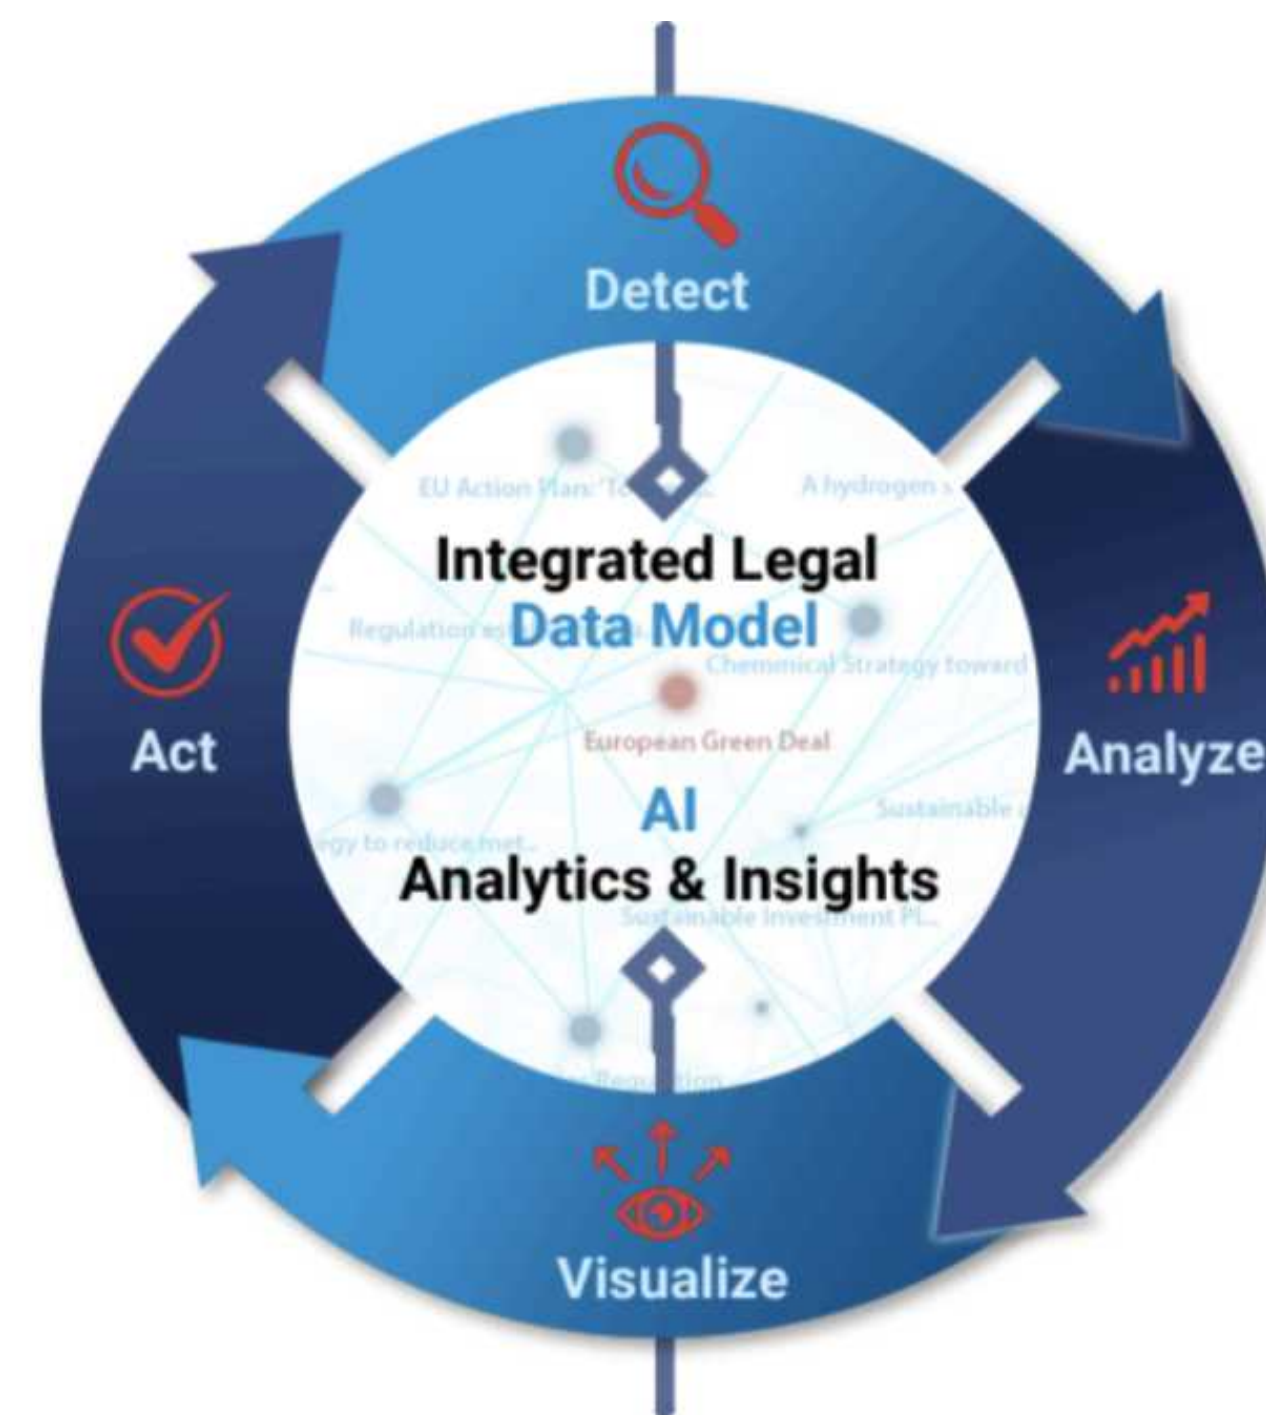

Automating & Optimizing

time-consuming and laborious processes

Visualize Contextual Interdependencies

of Laws and Amendments, Administrative Standards and Court Decisions

Global Legal News Monitor

Legal Landscape Navigator

Unique, AI-supported news service for regulatory developments

What are the latests news about MiFID?

Latest News on MiFID

Here are some of the recent developments and updates related to the Markets in Financial Instruments Directive (MiFID):

MiFID II/MiFIR Review: The European Securities and Markets Authority (ESMA) has been actively involved in reviewing MiFID II and MiFIR, focusing on transparency topics and pre-trade transparency waivers.

Amendments to MiFID II: On January 16, 2024, the European Parliament adopted a legislative resolution to amend Directive 2014/65/EU (MiFID II). The amendments aim to enhance the regulatory framework for financial markets within the EU, addressing issues such as market efficiency, transparency, and investor protection.

Listing Act Regulation: This regulation, part of the Listing Act package, aims to make
